January 3, 2017

It is my pleasure to introduce to you my organization, Angels On Earth.

Angels On Earth/ Paying Love Forward is a non-profit organization that was created to simply perform acts of kindness by spreading love and compassion to the people of our community during their time of desperate need. The group helps individuals and families at places where they feel most vulnerable and/or have lost hope. These places have included; The Ronald McDonald House of Central California, Valley Children's Hospital of Fresno, The Poverello House, and Terry's House of Fresno. We provide home cooked meals, prayer, and fellowship to families of sick or terminally ill children or families members. Angels on Earth have held fundraisers to assist with the financial needs of families enduring medical hardships and grant terminally ill children their last wishes. We recently have had the honor to grant a 13 year-old young girl fighting leukemia, her wish to travel to the beach with her family as one of her last family trips. We have also helped the parents of a young boy battling cancer by paying two months of their rent so they can focus on being by the side of their son rather than worrying about how they were going to afford their monthly payments. Angles on Earth is on a mission to find ways to continue to provide services to families in need of love and support. We strongly rely on the generosity of individuals and local community support. We do hope that you will respond positively to support Angels On Earth and its purpose. Please remember not only is your contribution 100% tax deductible but you will also be the reason we are able to continue to Pay Love Forward to the families in need throughout Parlier and the Central Valley.

Thank you,

Melanie Gonzales-Perez
