June 2018

Burger King Remodeling

Our Burger King at 13609 Manning Ave is going through a remodel upgrade of the existing building. The exterior of building will have new towers at entryway, new signage and new exterior paint color. The interior of the building will have all new seating and décor with remodeled restrooms. Contactors would like to have the drive through back open to the public by the end of June and projected date to open building back up would be mid July 2018.

You probably noticed more police officers in your neighborhood. Thanks to the residents of Parlier for approving Measure Q, we now have 17 sworn police officers serving the community along with 6 new patrol vehicles arriving in July 2018. These 17 officers are fighting daily against criminals, drug dealers, and gang members, who for a long time have abused and taken advantage of our residents. Parlier residents and the Police Department will no longer tolerate this abuse. We are working together with a common goal for the City of Parlier to become the "Safest Little City in the Central Valley." A city we can be proud of, a city where our neighborhoods are safe for our children to live, play and go to school.

Did You Know?

⇒ *Did you know an older model Honda is the car of choice stolen by thieves in the City of Parlier?*

The Police Department recommends car owners use a steering wheel lock such as a club. Using a club alerts the thief that your car will be difficult to steal. If you use a club correctly, the thief is more likely to go to the next car that doesn't have a club.

⇒ *Did you know if you leave a disabled car on the street, driveway or front lawn for a long period of time, you can receive a citation and your car can be towed away?*

The violation is under the City of Parlier's Municipal Code 10.60.010 & 10.36.030 (vehicle nuisance ordinance). In an effort to improve the City's image, we are enforcing the Vehicle Nuisance Ordinance, so we appreciate your support in not storing disabled cars in front of your property. If you have any questions about the Vehicle Nuisance Ordinance, please call the Code Enforcement Officer at (559) 646-6606.

⇒ *Did you know under Business and Professions code 22435.2 (a-f), it is a misdemeanor to remove shopping carts from business properties?*

City Hall Hours of Operation:

Monday - Friday
7:30am - 6:00pm

Future City Council Meetings:

Every first and third Thursday of every month.

* June 21st
* July 5th
* July 19th
