The Brown Act provides that members of the public have a right to attend public meetings, to provide public comment on action items and under the public forum section of the agenda, and to criticize the policies, procedures, or services of the city or of the acts or omissions of the city council. The Brown Act also provides that the City Council has the right to exclude all persons who willfully cause a disruption of a meeting so that it cannot be conducted in an orderly fashion.

During a meeting of the Parlier City Council, there is a need for civility and expedition in the carrying out of public business in order to ensure that the public has a full opportunity to be heard and that the Council has an opportunity to conduct business in an orderly manner. The following is provided to place everyone on notice of the rules of decorum and enforcement.

GENERAL RULES OF DECORUM

While any meeting of the City Council is in session, the following rules of decorum shall be observed:

1. All remarks shall be addressed to the City Council as a whole and not to any single member, unless in response to a question from a member of the City Council.
2. A person who addresses the City Council under public comment for a specific agenda item or under the Public Forum section of the agenda may not engage in speech or conduct (i) which is likely to provoke others to violent or riotous behavior, (ii) which disturbs the peace of the meeting by loud and unreasonable noise, (iii) which is irrelevant or repetitive, or (iv) which disrupts, disturbs, or otherwise impedes the orderly conduct of any City Council meeting.
3. A person, other than members of the Council and the person, who has the floor, shall not be permitted to enter into the discussion unless requested by the Mayor to speak.
4. Members of the City Council may not interrupt a person who has the floor and is making public comments. Members of the City Council shall wait until a person completes his or her public comments before asking questions or commenting. The Mayor shall then ask Council members if they have comments or questions.
5. No person in the audience at a Council meeting shall engage in disorderly or boisterous conduct, including the utterance of loud, threatening or abusive language, whistling, stamping of feet or other acts which disturb, disrupt or otherwise impeded the orderly conduct of any Council meeting.
