REPORT TO CITY COUNCIL

SUBJECT: APPROVAL OF RESOLUTION No. 2020-22 OF THE CITY OF PARLIER AUTHORIZING SUBMITTAL OF APPLICATION(S) FOR ALL CALRECYCLE GRANTS FOR WHICH CITY OF PARLIER IS ELIGIBLE

BACKGROUND:

The California Department of Resources Recycling and Recovery (CalRecycle) offers funding opportunities authorized by legislation to assist cities in the safe and effective management of the waste stream. Currently, the city has an open Tire Derived Product grant for recycled rubber mulch. The city has purchased the rubber mulch but was not able to lay all of the rubber mulch in time for the grant deadline. The state has allowed us to extend the deadline until March 2021. In order for the city to extend the deadline, a new resolution must be approved.

Cal Recycle uses "5-year" resolutions. This resolution gives us the ability to apply for this, and other CalRecycle grants, within the next 5 years.

FISCAL:

There is no fiscal impact.
